Dear Mr. Sanborn:

On June 13, 2001 the Department of Environmental Services, Waste Management Division (DES) conducted an inspection of the above referenced facility. The purpose of the inspection was to determine Aavid's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Aavid was issued Letter of Deficiency No. WMD 02-15. Based upon a review of Aavid's submittal, DES has determined that your facility has corrected the deficiencies identified in Letter of Deficiency No. WMD 02-15.

Please be advised that DES will continue to monitor Aavid's compliance status through record reviews and on-site inspections:

If you have any questions regarding this letter, please contact the lead inspector, Nancy Phillips or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section, at (603) 271-2942. Thank you for your cooperation.

Sincerely,
